NOTES:

*EB refers to the English Bible, which is the standard Christian Bible.

*Torah readings are standardized & consistent throughout the world. (However, the transliteration & translation of the Hebrew titles of the readings varies upon the translator: eg, "B'reshet" may be transliterated with various spellings: "Beresheet," or "B'reshit," etc. And the English may be translated various ways; for example: "Genesis," or "In the beginning," etc.)

**Haftarah readings are standardized according to either Ashkenazic or Sephardic reading schedule; we follow the Ashkenazic Haftarah readings.

***Apostolic Scripture readings are not at all standardized. We are using the suggested readings from Dr. David Stern's Complete Jewish Bible.
