

Restoring YHVH's Passover

Don Cole

1. Historical Overview of YHVH's Body (Israel)

Scripture: Rom 9:1-5

Restoring: Acts 1:3-6

2. Second Temple Period until the 4th century AD

Apostolic Scriptures:

- First, Yeshua kept the Torah. This is proof of His Messiahship.
- Secondly, Yeshua is to be obeyed! Acts 3:21-23.
- Yeshua came to Restore His Body Israel, for He is Israel.

Roman Catholic Church: The “church” now falsely believes that:

- First, the nation of Israel has forfeited its status as “the people of God” and will never again possess a unique role or function apart from the church.
- Second, the “church” has now become the true Israel and has permanently replaced or superseded national Israel as the people of God.

Supersessionism is the view that the NT church is the new and/or true Israel which has forever superseded the nation of Israel as the people of God.

- Consequently, the church has become the sole inheritor of God's covenant blessings which were originally promised in the TaNaKh to national Israel.
- This rules out any possibility for future restoration of the nation of Israel with a unique identity, role, and purpose.

3. Protestant Reformation 16th century (western) Europe.

The reformation did not completely break away from the catholic church hierarchy. It continued on with the church hierarchy!

The church was and is a man-made creation by the gentiles.

4. Current Event

Restoring The TaNaKh, especially The Torah as Yeshua did.

5. Leviticus 23:1-2 (Refer to 2nd handout)
