Explanation of calendar:

- #1 The Gregorian date.
- #2 Hebrew calendar month & day.
- #3 The Biblical day begins at sundown (rather than at midnight, as it does with the Gregorian calendar).
- #4 The blue tint illustrates the festival days AND Shabbat from the beginning on Friday to the ending on Saturday at sundown.

COUNTING THE OMER

An omer (or sheaf, a unit of measure) was counted & taken daily to the Temple from Yom HaBikurim through the day before Shavuot (Feast of Weeks or Pentecost), These days serve as a reminder of the connection between the deliverance from slavery at Passover & the giving of Torah at Shavuot. (Lev 23:9-16)
